

IV WCGA

Grid Computing and Applications

Discussions and Summarization

Workshops so far ...

- Infrastructure
- Middleware
- Applications
- Tutorials
- Format
 - 3 days at LNCC (2003-2004-2005)
 - 1 day with SBRC (2006)

Next workshop ...

- What would you like to see ?
- Format 1-3 days ?
- Additional topics ?
- Contests ?
- Portals ?
- Programming and execution environments ?
- Global Forums ?
- Sensor Grids ?
- Tutorials ?

2 May 06

IV Workshop on Grid Computing
and Applications -WCGA 2006
